This scoresheet uses the high point scoring system. Each boat gets a point for starting and a point for each boat she beats. The winning boat gets an additional 1/4 point bonus. Only the first two races count on Sundays. The Muddy Rudder counts toward the Lightning total. Skippers who attend an out of town regatta with their own boat get their score in the regatta relative to other VSA boats, or a score equal to the equivalent finish at home, whichever is greater.
